

Fun, Colorful And Mess Free!

Crafty Dab has the fun children want without the mess parents dread!

Our Crafty Dab paint and glue product line has specially designed bottles with spring-valve applicators. The bottles are “little hand” friendly and the applicators won’t leak or drip – even when they’re squeezed! When the applicator tip is applied to paper the vibrant, colorful inks flow to create your little artist’s latest masterpiece.

Our Crafty Dab products are non-toxic, washable and won’t stain clothes*. No mess, no waste and cost effective – a one-ounce bottle of Crafty Dab paint is equal to 4-7 ounces of tempera jar paint.

Our Crafty Dab line definitely has the “WOW” factor with parents and teachers!
