

# Fun, Colorful And Mess Free!

Crafty Dab has the fun children want without the mess parents dread!

Crafty Dab paint and glue product line is based upon the specially designed bingo dabber bottles with spring-valve applicators. The bottles are "little hand" friendly and the applicators won't leak or drip. When the applicator tip is applied to paper the vibrant, colorful inks flow to create your little artist's latest masterpiece.

Our Crafty Dab products are non-toxic, washable and won't stain clothes. No mess, no waste and cost effective – a one-ounce bottle of Crafty Dab paint is equal to 4-7 ounces of tempera jar paint.

Our Crafty Dab Shimmer Kids Paint 6 pack in the convenient, reusable carrying case is fruit scented and comes in an assortment of shimmering vibrant colors.
